

Number Sentence Maker!!

Directions:

1. Cut out each number below.
2. Place the numbers on the blank spaces to make a true number sentence.
3. Remember, make sure the number sentence is true before you glue the numbers in place!

*There may be more than one way to arrange the numbers.

*Each number must be used.

| | | | | |
|----|----|---|---|----|
| 3 | 11 | 6 | 9 | 4 |
| 10 | 30 | 4 | 8 | 2 |
| 7 | 14 | 3 | 3 | 13 |
| 0 | 20 | 1 | 5 | 5 |

$$\square + \square = \square + \square$$

$$\square - \square > \square + \square$$

$$\square + \square + \square = \square$$

$$\square + \square = \square - \square$$

$$\square + \square < \square + \square$$

Here is one possible way to place the numbers.

$$\boxed{3} + \boxed{4} = \boxed{5} + \boxed{2}$$

$$\boxed{11} - \boxed{6} > \boxed{0} + \boxed{4}$$

$$\boxed{7} + \boxed{3} + \boxed{3} = \boxed{13}$$

$$\boxed{1} + \boxed{9} = \boxed{20} - \boxed{10}$$

$$\boxed{8} + \boxed{14} < \boxed{30} + \boxed{5}$$
